ALL Shooting Sports exhibitors will need to complete this form. These will be displayed at the fair and are required in order to receive a premium. This process is replacing the targets that were done in the past. *This can be used in your 4-H Record Book as the project page.*

**Instructions:**

- Print the Shooting Sports description form.
- Attach a picture(s) of you at the shooting sports contest or one with you and your target.
- Complete the form
  - Exhibitor name
  - Exhibitor organization (4-H club, FFA chapter, etc.)
  - Description of project: tell the fairgoers about your project in 3-4 sentences. Ideas for this section:
    - years in the project
    - how you got into the project
    - your favorite part of the project
    - or any other relevant information.
- Complete **one form, include all the classes you participated in.**
- Return these forms to the fair office during indoor exhibit drop off time on Wednesday. They will be displayed throughout the duration of the fair.
- You may take your form & pictures during regular entry release time on Sunday. Any forms/pictures left after entry release on Sunday will be thrown away. If you cannot make it back for entry release and would like yours to be saved, contact the Natural Science Superintendents.
